Saint George's Church of England Primary Phase Weekly Newsletter

Term 5 – Week 5 Friday, 19th May 2023

Dear Families

A huge well done to Squirrel Class this week for the determination and perseverance they have shown this week in completing their SATS papers. All of the children have worked extremely hard and completed these assessments with a positive attitude. Well done to everyone! As mentioned in last week's newsletter, I would like to create a Forest School working party to develop our Forest School area further. You do not need to be a keen gardener, just happy to be hands-on and get stuck in with clearing, planting and developing the area to ensure our children can reach their full potential when exploring the site. Please let me know if you would like to be part of this group. We plan to begin work next term.

Have a lovely weekend!

Squirrels re-enacted a Shabbat Meal

This week wasn't only about the SATs for Squirrels! To bring this term's learning to life, the class reenacted the beginning of a Shabbat meal (which happens on Friday nights in Jewish households). They listened to a Jewish prayer as they lit candles and tried some Challah bread, with a small glass of grape juice!

Badgers Trip to Shorne Country Park

Badger Class had a fantastic time at Shorne Country Park! They took part in in two different workshops — 'Hidden Habitats' and 'Art Naturally'. You can see what they found and what they made in these photos. The children embraced their time in the outdoors and behaved beautifully. Thank you so much to our parent helpers - we couldn't have done it without you!
