

Dear Parents & Carers,

Re: Mock Exams: Tuesday 3rd May to Tuesday 10th May 2022

We are writing to inform you of the arrangements for the Year 12 mock exams which begin on Tuesday 3rd May. This will allow us to prepare students to cope effectively with the intensity and demands of a real exam season, as well as providing us with key information about gaps in student knowledge and skills to inform intervention as we move towards Year 13.

Please find attached the mock exam schedule for May. We will also upload all relevant documentation to our website for your reference and into the Year 12 TEAMS for student reference. All exams will take place in the sports hall unless students are notified otherwise.

The mock exams will run as follows:

- **Session 1** will begin at 8.40am. Students are expected to be at the exam venue at least 10 minutes before the start time.
- **Session 2** will begin at 1.40pm
- **Students do not need to attend morning or afternoon registration and should report directly to the exam venue where they will be registered.**
- **Lessons are suspended during this period and students need only to attend for their mock exams.**
- The study centre will be open for students who wish to use this as a study space during the school day, when they do not have an exam.

Students will return to their normal timetabled lessons on Wednesday 11th May.

As always, thank you for your continued support as parents and carers during this important phase of your child's school career. If you have any concerns or queries, please do not hesitate to contact us here at school.

Yours sincerely,

Miss Pye
