

## Maths

- Begin to count in multiples of 6, 7, 9, 25 and 1000;
- Begin to find 1000 more or less than a given number;
- Begin to count backwards through 0 to include negative numbers;
- Begin to know that ten hundreds are equivalent to one thousand, and that 1000 is ten times the size of 100, and use this to work out how many hundreds there are in other four-digit multiples of 100;

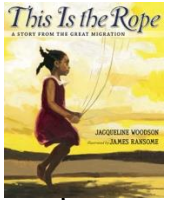

How many thousands, hundreds, tens and units?

Th	H	T	U
6	8	4	0

$6840 = 6000 + 800 + 40 + 0$

## English

Our first text will be 'This is the Rope'. The children will be recounting, questioning, reading and using noun phrases expanded by the addition of modifying adjectives, nouns and preposition phrases to write about their experiences of owning something very precious. The second book, 'The Proudest Blue', explores another special item. The children will use this to retell the story from the point of view of Asiya. The children will then explore researching and writing biographies for great inventors.

## Religious Education

In a Christianity unit, we will be exploring the topic of Creation. The focus will be in what Christians learn from the Creation story and "The Fall" of Adam and Eve. They will also explore the theme of forgiveness.

## Fox Class-Term 1

## Music

Music Focus: This Little Light of Mine

The class will learn the song, the Pentatonic scale, gospel music, keeping in time with the off-beat, rhythm and develop their skill in call-and-response.

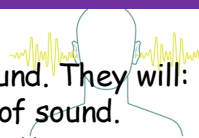

## 50 Things

Make up your own dance and perform it (36).

## Computing

Children will apply their knowledge and understanding of networks, to appreciate the internet as a network of networks which need to be kept secure.

## Science

The children will explore the topic of sound. They will:

- Observe and name a variety of sources of sound.
- Find out how sounds are made and find patterns between the volume of a sound and how it is made.
- Explore how sounds get fainter as they move away from you and explore how to change the pitch of a sound.

## Art

Focus Artist: Rosa Bonheur  
Theme: Animals  
Technique: Sketching and painting.

## D&T

Introduction to Design and technology  
The children will be learning how control works via an app. They will finish the topic by designing an eco-home.

## Geography

To apply their knowledge of map techniques to describe the locations of:

- Greenwich, and its connection to prime meridian.
- Our school.
- The countries within the United Kingdom including their capital cities.
- Five capital cities in Europe.

## History

In our history learning the children will be exploring significant events from the Stone Age to the Iron Age. The children will be discovering what everyday life was like during the period. They will be investigating primary and secondary sources and how to interpret artifacts found during the era.
