## 1) Policy objectives:

This policy outlines what Saint George's Church of England School will do to prevent and tackle all forms of bullying.

- Behaviour Policy
- Complaints Policy
- Safeguarding Policy
- GDPR Data Protection Policy
- E-Safety Online Safety Policy
- Curriculum policies, such as: PSHE and citizenship

## 3) Links to legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986

## 4) Responsibilities

It is the responsibility of:

- The Headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently, and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.

## 5) Definition of bullying

- Bullying can be defined as 'behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally.' (DfE 'Preventing and Tackling Bullying,' July 2017)
- Bullying can include name calling, taunting, mocking, making offensive (homophobia, racist) comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of child-on-child abuse. It can be emotionally abusive and can cause severe and adverse effects on children's emotional development. Children with SEND needs are more at risk of being bullied and they are signposted to the SENCO for disclosures and given quiet/safe space during social times. Children who identify as LGBTQ+ are directed to a safe space (library) during social times and have a safe person who they can disclose to if required.

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Harassment, touching, pushing, 'banter', gossip, coercion, isolation, social media, including those who fall under LGBTQ+ category.

## 7) School Ethos

Saint George's Church of England School recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where students are able to learn and fulfil their potential.

#### Our Community:

- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our students are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the anti-bullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy
- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.
- Selected staff have received safer handling training to be used in extreme circumstances (see Safer Handling Policy) All incidents are logged on passed to the Headteacher.

## 8) Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The Pastoral Team/Community Leaders will interview all parties involved and feedback to the member of Leadership Team investigating
- The DSL will be informed of all bullying issues where there are safeguarding concerns.
- These concerns are all recorded on MyConcern and the 101 form and in extreme cases reported to the police.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Sanctions, as identified within the school behaviour policy, and support will be implemented in consultation with all parties concerned.

- If necessary, other agencies may be consulted or involved, such as the police, if a criminal offence has been committed, or other local services including early help or children's social care, if a child is felt to be at risk of significant harm.
- Where the bullying of or by students takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. If required, the DSL will collaborate with other schools. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with this policy and the school's behaviour policy.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

- Provide information to staff and students regarding steps they can take to protect themselves online. This may include:
