At the heart of our vision is the belief in inclusive, educational excellence; the belief that we are called to serve all pupils, staff, parents and the local community by providing places where all develop and thrive intellectually, socially, culturally and spiritually in order to live life in all its fullness.

As a school we will do our best to:

- Provide a broad and balanced, creative curriculum adjusted to meet the individual needs of all children.
- provide a high standard of teaching to ensure that your child achieves their full potential.
- Help your child to achieve high standards of work and provide the support that they need to progress as they should academically.
- Create an environment where your child is safe and happy.
- Make sure that every child feels like they are a valued member of our school community, by promoting our ethos of care, respect, inclusion, and equality.
- Promote independence and social responsibility in your child so that they can progress confidently through school and continue to do so after they leave.
- Keep an open line of communication between you and the school, ensuring you are well informed of general developments within school and of your child's progress.
- Take all concerns that you might have seriously and be open to discussion, supporting you as a parent however you may need.
- Provide you with plenty of opportunities to become involved in the daily life of the school and your child's development, enabling you to be part of the school community.

Parents

We expect parents to agree that they will do their best to support the partnership with school and;

- Operate in support of all of the school's policies, the school ethos and code of conduct, and set a good example to your child.
- Ensure that your child attends school regularly and promote good attendance and punctuality.
- Ensure that your child reaches school on time, properly dressed, rested, fed, and equipped for the school day.
- Inform the school on the first day that your child is going to be absent for any reason and follow this up with a written explanation.
- Be open with the school and communicate any concerns that you have, as well as any knowledge that you have of problems or issues that may affect your child's work or behaviour.
- Engage with the school in terms of your child's progress and development, attending parent's evenings, meetings and workshops, when it is required or requested.
- Use social media in a positive way and discuss any concerns you may have with school directly, not on an online platform.
