All Different, All Equal, All Flourishing

Friday 16th July 2021

Dear Parents and Carers,

Thank you all for the huge amount of support that you have given Saint George's this year but more importantly, the support you have given your children. We have all faced so many hurdles this year, but we have got over them and made it to the end of the school year.

The pupils have, as always, been amazing and seeing them taking part in the activities over the last two days has been fantastic. They have been a real credit to Saint George's. Despite all the restrictions, our pupils have still managed to achieve amazing things from representing clubs or even the county at sports, hosting virtual awards evenings, talking about recycling in the national press, raising money for charities, to helping a neighbour - We are so proud of them all.

I would like to also say a huge thank you to all the staff at the school who have worked so hard this year to keep the school running and providing an education for all pupils. We are so lucky to have such great team who care so much about the pupils.

We will be sending out a letter containing the outline plan for the start of term in September. I am sorry it is so long but there is a great deal to share with you.

Undoubtedly there will be changes over the next 6 weeks so we will send an update before the start of term.

Sadly, we are saying goodbye to a few members of staff who have been with us a long time. Miss Steeples, Mrs DaCosta and Mrs Boarer will be leaving us at the end of this year. They have been such committed members of our school community. We are very thankful for all they have done for the pupils at Saint George's, and we wish them well in their future endeavours.

It only remains for us to wish you a very restful and safe summer holiday. We look forward to seeing all the pupils back with us in September.

Matt Lillie.
Head of School.
