Dear Parents

Our first Parent Consultation evenings for this year will be taking place on Wednesday 17th and Thursday 18th November 2021. These will be taking place face-to-face in your child's classroom. Parent Consultations are a wonderful opportunity to share your child's development and progress, their strengths, as well as any areas to improve on. We will be discussing how you can support your child at home, as well as their attendance and behaviour in school. There will also be an opportunity for you to share any information you feel important, as well as to ask any questions you may have about your child and school. It is important that all parents make an appointment to see their child's class teacher and if appointments are not made, then a time will be allocated for you.

Each appointment will last no longer than ten minutes and they will be allocated on a first come first served basis.

Please complete the attached slip by placing a number 1 in your first preferred time slot and a number 2 in your second preferred time slot and we will endeavour to allocate you an appointment as close to your preferred times as possible.

There will also be the opportunity to look at your children's books and work around the school during these evenings.

We thank you for your continued support and look forward to receiving your completed slips no later than Friday 12th November.

Kind Regards

Helen Palmer
