Dear Parent/Carer,

Are you thinking about joining the most rewarding profession or know someone who is?

KMT has been working in partnership with many schools throughout Kent and Southeast London for over 25 years to successfully train thousands of teachers, including Saint George's Church of England School.

Our wide range of partner schools play a huge part in developing talented individuals into the teachers they want to become.

If you're thinking of becoming a teacher, or if you know someone who is, it is not too late yet. KMT are still recruiting until the end of the academic year, so why not get started today! We would be delighted to hear from you.

We have opportunities available for both Primary and Secondary training. All you need to have, or have pending, is a degree and a strong desire to teach and inspire the minds of the future.

If you have any questions or would like some further guidance on your application, then please contact the KMT recruitment team at recruitment.team@kmtraining.org.uk or on 07729608106

Yours sincerely,

Mr M Baker
Deputy Headteacher
