School uniform consultation

Dear Parents and Carers

We are currently reviewing our school Uniform policy to ensure that it is providing good value for money. We would like to make the following change to our Uniform policy.

1. All pupils are allowed to wear a white shirt and Saint George's tie.

The remainder of the uniform will stay unchanged.

- Black trousers or skirt
- Black blazer and school badge
- Either a white shirt and school tie or red and white striped shirt or blouse
- Black leather/leather look shoes
- School V-neck jumper or cardigan (if worn)
- White or black socks

If you have any comments, please follow the link below to our online survey. We welcome any comments regarding the proposed uniform change or any other changes that you feel would be beneficial.

We will be closing the consultation in two weeks' time on Friday 27th May at midday.

Thank you for your continued support

Yours sincerely
